

- **Overview and History:**
 - Official Name: Institute of Technology of Cambodia (English), *Institut de Technologie du Cambodge* (French)
 - Location: Phnom Penh, Cambodia
 - ITC is a public institution providing higher education and research in science, technology, and engineering.
- **Academic Programs:**
 - ITC offers a range of undergraduate and postgraduate programs. The primary focus is on engineering disciplines.
 - **Undergraduate Programs:**
 - Likely to include:
 - Civil Engineering
 - Electrical and Energy Engineering
 - Mechanical Engineering
 - Chemical Engineering and Food Technology
 - Telecommunications and Information Technology
 - **Postgraduate Programs:**
 - Master's degrees
 - Doctoral degrees
- **Admission Requirements:**
 - Admission requirements vary by program and student status. Generally:
 - Completion of upper secondary education (high school) or equivalent
 - Specific subject requirements (e.g., math, sciences for engineering)
 - Language proficiency (Khmer and/or English)
- **Tuition and Fees:**
 - Tuition fees vary depending on the program, year of study, and student status (local/international).
 - There may be additional fees for registration, laboratory use, etc.
 - Information on scholarships and financial aid should be available through the university's student services or financial aid office.
- **Research and Innovation:**
 - ITC is involved in research activities within its engineering and technology disciplines.
 - Details on specific research areas, centers, or publications would be found on the ITC website.
- **Student Life:**
 - General student facilities are expected, such as:
 - Libraries
 - Laboratories
 - Computer facilities
 - Information on student organizations, activities, and support services should be available through ITC's student affairs department.
- **International Relations:**
 - Many universities have international collaborations. Check the ITC website for details on partnerships, exchange programs, etc.

Where to Find More Precise ITC Information:

- **Official ITC Website:** This is the primary source. Look for sections like:
 - "Academics" or "Programs"
 - "Admissions"
 - "Research"
 - "Student Life"
 - "International"
